

KING OCEAN SERVICES®

VEHICLE: SHIPPING GUIDELINES

IMPORTANT: You must Book your shipment prior to delivery of your vehicle to King Ocean Services. Please contact our Vehicle **Customer Service Department** at VEHICLES@KINGOCEAN.COM

**Customers have the option of validating their vehicles directly with CBP via the DIS system
OR
having King Ocean validate the vehicle on their behalf.**

Original Title or Original MSO (Manufacturer Statement of Origin) -**Required**- If purchased, the Purchaser's name must appear on the Title/ MSO. This must be signed by seller and purchaser.

If the vehicle belongs to a Company, the person signing the Vehicle Export Power of Attorney must also provide a letter on company letterhead, stating that they are an officer of the company and are authorized to sign the Power of Attorney.

Vehicle Export Power of Attorney\Export Authorization -Required- In order for King Ocean to submit & clear Customs on your behalf, an **original Power of Attorney** form must be completed and signed by the vehicle owner(s).

Driver's License or Passport -Required- A valid copy of the vehicle **owner's** driver's license or passport.

Letter of Intent -Required by Port Everglades Customs- must be submitted with every vehicle title. Only after vehicles have been delivered to port of export, King Ocean will provide a Letter of Intent. Vehicles must be physically located at the port of export in order to validate documents for export.

Vehicles must be delivered 72 "working hours" prior to vessel loading.
Saturday/ Sunday/ Holidays are NOT considered "working hours".

Vehicle Dock Receipt- which will be provided to you when you drop off your vehicle during working hours.

Special Note: If a vehicle has been received for export but will no longer be shipped, a letter addressed to U.S. Customs that explains why the vehicle is not being exported is required from the owner before the vehicle can be released for pick-up. An "In-and-Out" Handling and Storage fee will be applied.

PREPARE YOUR VEHICLE

Federal regulations (**CFR 176.905[d]**), require that there is less **than ¼ tank** of fuel. Propane tanks must be empty.

Remove all loose items and personal effects from the vehicle, including the trunk. If you wish to ship personal effects, Please call a freight forwarder or consolidator.

Anti-theft Alarm Systems - If you leave the car alarm system in your vehicle, make sure that the system is disengaged prior to delivery to Port.

A set of keys for the ignition, trunk door, gas tank, and any other locking compartment. U.S. Customs inspects all compartments of your vehicle and will place a Customs Hold on any vehicle without a key to a locked compartment.

Important: Vehicles must be in a safe, drivable condition, capable of normal operation on public streets or highways when tendered for shipment to be considered an “operable vehicle”. Non-operable vehicles that have been accepted for shipment will be loaded into a container with the use of a forklift, and a **Hold Harmless Waiver for Non-Operable Vehicles** must be signed before the vehicle is loaded.

Note: King Ocean will consider the vehicle non-operable, if the following conditions exist:**

- Cracked or damaged windshields or windows
- Flat, missing or damaged tires or wheels
- Leaking fluids
- Deployed airbags
- Unable to stay running under its own power source
- Out of fuel/gas
- Other (to be specified in the waiver)
